This is an excellent tool for anyone preparing to take the national licensing exam or a current licensed administrator needing a good review. Score: 93, 4 Stars. --Doody's Medical Reviews This revised and updated study guide is based on the same format as the actual exam and provides an easy-to-use, effective way to review essential concepts and practice test-taking skills. This up-to-date guide reflects the latest changes in the domains of practice for nursing home administrators covering core information on nursing governance, business and finance, human resources, and resident and patient care nursing. New questions and answers are included in this study guide to reflect the revised sixth edition of "Nursing Home Administration" to cover new laws and regulations, federal guidelines to surveyors, quality indicators, resident assessment instrument, safety code inspection process, and new ICDM-10. With over 800 test questions, 1,000 key terms and concepts, and answer keys (some with full explanations) -- this is the essential resource for anyone looking to pass the licensing exam.
